

Join or re-new with the GHRA Today

We Restore

We go on display & Organize Excursion trains

We Research Railway History & Collect artifacts

. Join us to get involved in our projects or support our efforts. Our group has low administrative costs (~\$1000/year) and your membership dues go directly to our restoration activities and projects. \$13,000 has been spent on CPR 436994 since 2010 and viewed by thousands of adults and children in Guelph.

We are working toward relocating our equipment in a new home and we will require the support of all current, past and new members. There is no volunteer requirement to join. However, are you handy, or like to work? Join our restoration activities. We also have administrative openings on the Board of Directors. We accept donations: of railway artifacts, materials, supplies, or cash.

A model of our potential new home

Meetings the second Monday of every month at 7:30 PM @ Cooperators 130 MacDonnell St Guelph Downtown.
